

# Mag40

ART00389

## FEATURES

- **Body:**
  - Made of zinc alloy.
- **Shackle:**
  - Made of hardened chrome plated steel.
  - Diameter: 7mm.
- **Opening / locking:**
  - Magnetic system, without cylinder.
  - Since no cylinder is needed, there is no way to use a picklock to open the padlock. This system also avoids dirt entering the padlock.
- **Keys:**
  - Magnetic key.
  - Supplied with 2 keys.
- **Packaging:**
  - Blister packed.

## DIMENSIONS
